

PBworks Business Edition

Connect your team and collaborate
with customers and partners.

PBWORKS IS A COLLABORATION PLATFORM THAT ALLOWS BUSINESSES TO INTERACT WITH THEIR TEAMS, CUSTOMERS, AND PARTNERS MORE EFFECTIVELY.

Whether with extranets, intranets, projects, or knowledgebases, you can share information and assets, collect feedback, set schedules, manage meetings, and coordinate activity.

We deliver results for companies ranging in size from the Fortune 500 to solo startups, and varying in industry from manufacturing to media to medicine.

Key Features & Benefits

- **Nothing gets lost** — Search across your entire company, including full-text search of uploaded files
- **Easy to use** — A simple and intuitive user interface guides you to whatever you need
- **Use it anywhere** — Teams on the go can access it from computer, phone, or tablet
- **Customizable to your workflow** — Get customers, partners, and vendors on the same page as your team

PBworks is a no-hassle way to get work done

Set up in 60 seconds

PBworks is hosted online with no software to install. Get set up instantly with enterprise-grade security and performance.

Collaborate with prospects and customers

Increase sales, satisfaction, and retention with customer-facing workspaces (with built-in user engagement tracking).

Bring your intranet to life

Quickly create new pages and invite your team to view or edit the content.

Projects & project management in one place

Assign tasks and milestones tied directly to your content and files.

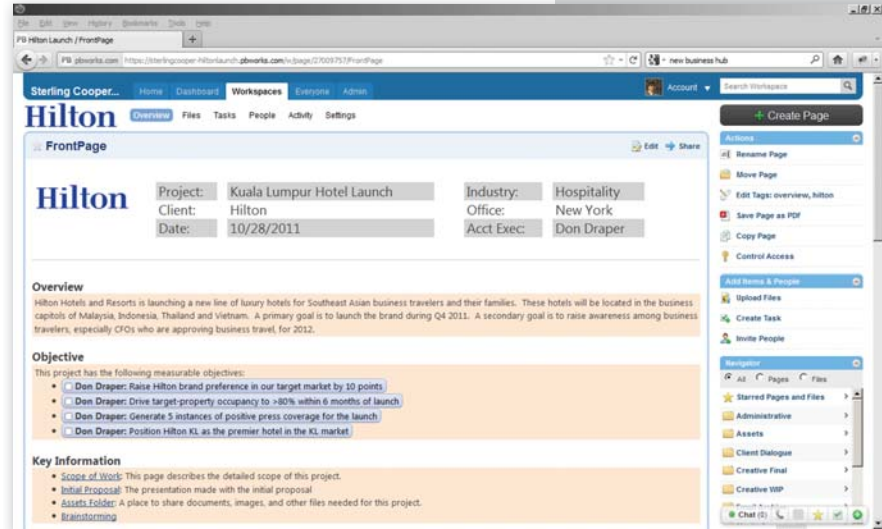

Store, search, and share your documents

No fees, no limits. With version tracking and full-text search over all your document types (PPT, PDF, etc), you can always find what you're looking for.

One view for all your work

Your personalized dashboard keeps you up to date with your tasks and the work your team is doing.
